

40 DAYS FOR LIFE.

There is a terrible tragedy occurring in our country. Each day, thousands of people die and thousands more are wounded. An estimated **900,000** people in the U.S. are killed annually, and millions more around the world die from the same cause. This is a tragedy of epic proportions. The tragedy is abortion. It cries out for a response from the Christian community.

"if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land." (2 Chronicles 7:14)

RESPONDING TO ABORTION

Abortion is certainly a terrible blight on our country but there is a God-honoring and effective way to respond. The 40 Days for Life campaign, built on a foundation of prayer and fasting, recognizes that with God, all things are possible - even ending the tragedy of abortion. Since the first 40 Days for Life campaign started in 2004, God has made possible amazing results:

- More than **20,000** lives saved from abortion (those are just the ones we know about)
- **200+** abortion workers have quit their jobs and walked away from the abortion industry
- More than **100** abortion facilities closed following 40 Days for Life campaigns

God's blessing on the movement is amazing, but He also has chosen to bless the campaign by bringing together His people to pray together:

- More than **6,500** individual campaigns have taken place across **60+** countries
- More than **1,000,000** people have joined together to pray and fast for an end to abortion
- **20,000+** church congregations have participated in 40 Days for Life campaigns
